Company Profile

Universal Corporation

Company address: 3F Toho-Sawaguchi Bldg., 3-19, Kanda Sakuma-cho,
Chiyoda-Ku, Tokyo, 101-0025, Japan
TEL: +81-3-3865-3080 FAX: +81-3-3865-3082

Established: May, 1989
Capital: JPY75,050,000
Representative: Ms. Nao Hiyaoka
Number of employees: 15
Major shareholders: Ms. Nao Hiyaoka
GFC Ltd. (Taiwan)
Mr. Kuok Hoi Sang (Hong Kong)
Mr. Poh Kim Seng (Malaysia)

Business content

Imports, exports and sales of elevator/escalator parts and components and other mechanical/electrical/electronic parts and components.

Procurement and development of electrical/electronic parts and components for elevators in overseas market.

Major banks

Sumitomo Mitsui Banking Corporation, Mizuho Bank, Ltd., Resona Bank, Limited, MUFG Bank, Ltd., The Shoko Chukin Bank, Ltd., Kiraboshi Bank, Ltd.

Main customers

Japan: Mitsubishi Electric Corporation(Inazawa Works, Himeji Works, Nagoya Works, Shizuoka Works), Hitachi Building Systems Co., Ltd., Hitachi High-Technologies Corporation, Toshiba Elevator and Building Systems Corporation, Otis Elevator Company, Fujitec Co., Ltd., Yokohama Elevator Co., Ltd., Techno Elevator Corporation

Overseas: Toshiba Elevator (Shenyang) Co., LTD., Toshiba Elevator (China) Co., LTD., Shanghai Mitsubishi Elevator Co., Ltd., Mitsubishi Electric & Electronics (Shanghai) Co., Ltd., Hitachi Elevator (China) Co., Ltd. Guangzhou Factory, Siam Hitachi Elevator Co., Ltd., Chevalier (HK) Limited(Toshiba Joint-Venture Company), Chevalier Singapore Holdings Pte. Ltd., GFC, LTD., M S Elevators Sdn. Bhd.(Toshiba Joint-Venture Company), TAIWAN MITSUBISHI ELEVATOR CO., LTD.

Main suppliers

TESAC SHINKO WIREROPE CO.,LTD., Fujikura Shoji Co., Ltd., YONEI & CO., LTD., NEMICON CORPORATION., Toyokawa Manufacturing Co.,Ltd., TAMAGAWA SEIKI CO., LTD., MANJYU KIGYOU CORPORATION, DN LIGHTING CO., LTD., Fuji Electric Co., Ltd., MIROKUCO., LTD., NIC. Co. Ltd., NNP CORPORATION, Saitoh Kikai Seisakusho Co., Ltd.

Affiliated Companies

V • T • Systems Co., Ltd.

Company address: 3F Toho-Sawaguchi Bldg., 3-19,Kanda Sakuma-cho, Chiyoda-Ku,
Tokyo, 101-0025, Japan

Taiwan UCEL Ltd.

Company address: No.48, Chang-chin 5th St., Yang-Mei, Taoyuan, New –Taipei City,
Taiwan, R.O.C.

TEL: +886-3-481-7958 FAX: +886-3-481-7957

Established: July, 1992

Capital: NT\$5,000,000

Representative: Ms. Nao Hiyaoka

Number of employees: 2

Shanghai UC Corporation

Company address: 328 Xiangche Road, Chedun Town, Songjiang, Shanghai, P.R.C.

TEL: +86-21-5777-5377 FAX: +86-21-5777-5477

Established: June, 1999

Capital: US\$3,960,000

Representative: Mr. Masanori Hiyaoka

Number of employees: 75 (and 1 at Guangzhou office)

Shenyang UC Corporation

Company address: Rm#B100 5-3 Feiyun Rd, Hunnan New District, Shenyang City,P.R.C

Established: September, 2016

Capital: RMB810,000

Representative: Mr. Masanori Hiyaoka

Number of employees: 2

Corporate History & Major Delivery Records

1989

UNIVERSAL CORPORATION founded to import and export major parts and components of elevators and escalators by Mr. Shinichiro Hiyaoka.

1993

Established Taiwan UCEL Ltd. in Taiwan and also established its Shenyang Representative Office in China.

1996

Set out to deal with Toshiba's elevator division (currently named Toshiba Elevator and Building Systems Corporation).

1999

Established the local subsidiary named Shanghai UC Corporation.

Set out to deal with Mitsubishi Electric Inazawa Works.

2000

Delivered cables manufactured by Fujikura Ltd., ropes by Tokyo Rope Manufacturing Co., Ltd., cage ceilings, side panels, buttons, etc. to Taipei 101.

2001

Set out to deal with Mitsubishi Electric Himeji Works (currently Nagoya Works).

2004

Established Guangzhou Liaison Office.

2005

Established V T SYSTEMS Co., Ltd. as the joint-venture company with GFC Ltd. in Taiwan to start dealing with pneumatic vacuum elevators.

2006

Participated jointly in World Elevator & Escalator EXPO Shanghai 2006 as a sole agent for Shinko Wire Company, Ltd.

Nisshin Co., Ltd. founded for taking charge of UNIVERSAL CORPORATION's logistics and quality control.

2007

Delivered the cage floor material made of granite produced in Zimbabwe to Shanghai World Financial Center to fix in the cages.

2008

Set out to deal with Hitachi, Ltd (currently named Hitachi Building Systems Co., Ltd.).

2010

Set out to deliver Dee Motion design panels to Taiwan Mitsubishi.

2013

Set out to deliver Dee Motion design panels to Shanghai Mitsubishi.

2014

Delivered elevators to Xizhi Farglory U-Town in Taiwan.

2016

Set out to deal with Nippon Otis Elevator Company.

Incorporated Shenyang office.

2017

Delivered Art Coating Panels to Dragon City located in front of Yonsang station in Seoul, Korea. (23 sets of elevators, 708 hall doors, etc.)

2018

Completed the warehouse at Nisshin Co., Ltd. Warehouse: 12 meters x 30 meters (360m²)

Cargo handling yard: 13 meters x 15 meters(195m²)

Ms. Nao Hiyaoka assumed the post of Representative Director upon the passing of Mr. Shinichiro Hiyaoka.

2019

Nisshin merged with Universal Corporation.

Major Export Products

Export destination: China, Taiwan, Hong Kong, Korea, India, Singapore, Malaysia, Indonesia

Wire rope

TESAC SHINKO wire rope, Rope grease, Special rope for Project Taipei 101 in Taiwan (TOKYO ROPE MFG.)

Cable(Fujikura, Riken Electronic Wire)

Elevator parts for printed circuit board

Hybrid IC, Transistor, Diode, Relay, Capacitor, Resistor, Bare board, etc.

Elevator parts for inverter stack

IGBT(Mitsubishi/Fuji/SUNREX), Capacitor(Nippon Chemi-Con/Hitachi AIC), IPM(Mitsubishi/Fuji), Heat sink, Current sensor(LEM Japan), Insulating material, Fan, Bus bar, Sheet metal product

Elevator parts for control panel

High speed fuse, Fuse, Noise filter, MCCB(Mitsubishi/Toshiba), Optical fiber cable, Power supply, Terminal(DAIDO SOLDERLESS TERMINAL MFG/J.S.T. Mfg.)

Elevator design article

Acrylic ceiling lighting cover, Stainless steel sill, Processing and fixing stone product for cage, Stainless steel etching-processed material(Mirror finish, Hairline finish), Stainless steel titanium coating material, Bronze processing material, Car, door and side panel, Push button switch and Hall lantern, Face plate, Stainless steel touch plate, Aluminum coating panel(Nomura Artech, D9)

Elevator various parts

Bolt, Nut, Washer, Door sensor, Limit switch, Spring, Wire rope clip, Door closer, Interlock, Switch box, Oil seal, Optical switch, Bearing(NSK), Shackle rod, Rail clip(Cast product, Forged product, Spring product), Tacho generator, Ventilation fan, Pulse generator/Encoder, Guide roller, Interphone, Hunger roller

Escalator various parts

Slimline lamp(DN LIGHTING), Step chain, Hand rail

Major Import Products

Import source: China, Taiwan, Korea

Cast product

Counter weight, Sheave(Pulley), Gear case, Rail clip

Forged product

Shaft, Shackle rod, Thimble rod, Rail clip

Machined product

Counter weight frame, Piping, Safety guard, Mounting hardware, Guide rail, Fish plate, Bracket, Steel weight, Sliding type rail clip, Governor, Governor tensioner

Aluminum product

Sill, Escalator step, Heat sink, Stepladder

Electronic parts

Button, Semiconductor, Printed circuit board, Hybrid IC, Fan, Power supply device for elevator

Others

Spring product(Buffer, etc.), White metal(WJ-6, WJ-7), Rail material, Brush, Escalator chain, Mesh box, PM gear-less machine, Escalator comb, Elevator touch-less door sensor, Ventilating device in cage (manufactured by HTB), Wind and photovoltaic power generation devices for home elevator (manufactured by HTB)

ELEVATOR PARTS FROM WORLDWIDE SOURCE
